

Building Godly Men of Today and Tomorrow **with CSB Ministries**

## **The news isn't always good.**

Boys and young men are growing up in a North American culture that, at best, sends mixed messages about what it means to be a man. Many have no role model on how to navigate the troubled waters from boyhood to manhood from a Biblical perspective.

Fatherless homes account for 90% of all homeless and runaway children

85% of all youths in prison come from fatherless homes, 20 times the average

1 in 3 children in America live in biological father-absent homes

THERE ARE YOUNG MEN AND BOYS IN DESPERATE NEED OF MEN WHO WILL INVEST IN THEM BY BUILDING RELATIONSHIPS - BEING A ROLE MODEL AND AN EXAMPLE OF HOW GOD HAS INTENDED THEM TO LIVE AS GODLY MEN.

“CSB had a huge impact on my life. The relationships and mentoring from Godly men were crucial in my spiritual growth. The achievement oriented program helped me to develop a self discipline that continues to influence me today [...] The ministry / leadership tools I use today are a direct result of the skills I developed in the Brigade program.” **Keith Hadigade**

FOR OVER 75 YEARS CSB HAS HELD THE CORE PRINCIPLE THAT MEN ARE CALLED BY GOD TO DISCIPLE THE NEXT GENERATION. CSB IS A MINISTRY **TO** MEN AND **THROUGH** MEN TO YOUNGER MEN AND BOYS.

## Network with Like-Minded Men's Ministries

CSB is partnering with a diverse range of men's ministries to ensure the message of our responsibility to disciple the next generation is clear, and to provide men with a proven ministry to do just that for their church.

## Develop a Strong Internship Program

By providing quality internships for young men we are staying connected with recent alumni and are gaining visibility with the young adults who are currently being trained for leadership.

## New Program Materials

Our new materials continue our historical focus on relationship-building and discipleship, while being designed for maximum flexibility. This reflects the variety of settings in which partnering churches use our program while staying true to our roots through Christ-centered, action-based, boy-friendly content.

## Provide Online Training and Resources

We believe that effective leaders are trained leaders. Online training and resources will give leaders the confidence and encouragement they need to influence the next generation. We are also developing relevant promotional resources for churches to use within their congregation and community.

THESE ARE JUST A FEW OF THE KEY WAYS WE ARE INCREASING THE IMPACT OF CSB'S MINISTRIES  
IN COMMUNITIES ACROSS NORTH AMERICA.

“What I really remember about CSB was not what we did or learned. I remember those men pouring their lives into me, living their lives in front of me, challenging and training me to live as a man of God. That’s the key: relationships.” **Brett Clemmer, VP, Man in the Mirror**

“Iron Sharpens Iron encourages churches to build godly men with others in mind, but building men does not start after a man graduates from school and enters the workforce. It needs to start much earlier, and that is why I am a strong supporter of CSB and the great work they do in local churches across the nation.”

**Brian and Barbara Doyle** - Iron Sharpens Iron National Director

**Tim Hart**, a very troubled boy from a dysfunctional home, was invited to Brigade by a friend. He intended to cause disruptions, however God had a different intent for him at that meeting. His leaders went out of their way to show Tim a true father’s heart, even after he was placed in a juvenile home. During the influential years of Tim’s boyhood, he never forgot the love shown to him by these godly men. God reached into Tim’s life as a young adult and he now serves as a pastor of a church in his community.

**IMPACT**

“I have been involved with CSB and Haycock Camping Ministries for over 40 years now! These two ministries have both been core elements in my spiritual formation since I was 8 years old! What a blessing it’s been to see my two boys follow in my footsteps and have both CSB and summer camp experiences to help them know and follow our Lord.” **Wayne Keyser**

“I strongly endorse the ministry of Christian Service Brigade and their vision of building godly men of today and tomorrow. They’ve been faithfully at it for over seventy-five years! In fact, Brett Clemmer, our Vice President, is a CSB alumnus and often shares how much his CSB leaders helped shape and influence him. How do they do it? By helping churches challenge their men to invest in the next generation. And Christian Service Brigade is just the ministry to pull that off. They provide robust training and programing tools that both men and boys love. At Man in the Mirror, our vision is for every church to disciple every man. That’s why we’re excited to have our Area Directors share the ministry of CSB. We want to do anything we can to support the vision of CSB to equip men to disciple boys!”
